A Note from the President

Welcome to the San Diego Memorial Society's website. You have discovered one of the best held secrets in San Diego. For over 50 years the Society has provided simple, dignified cremation and burial plans to members at inexpensive prices.

It is our mission to inform consumers of the costs of cremation and burial plans and to help them prepare for the eventuality of death. We encourage the pre-planning of end-of-life services before the need arises. To that end members receive a packet of material that includes a pamphlet outlining what to expect at the time of death, a booklet to fill in needed information, and a list of the recommended mortuaries and the cost of the various plans that may be used.

We recommend you peruse the web site and if you have questions about any issue, please contact the Society either by email or phone for immediate response.

Sincerely, Russ Armstead
