Rates quoted are based on Instructions from Funeral Consumers Alliance, Inc. 2008 (FCI)

Over 55 funeral service providers that do business in San Diego County were invited to furnish data for this survey. Providers listed above and on the reverse page responded and made their prices available. The rest declined, meaning they did not want their prices included. The information was obtained from each provider's General Price List (GPL). If no price is shown it means the service is not offered, the price was not listed, or the information was not available. The Federal Trade Commission's Funeral Rule (1994) requires that providers make available a GPL to anyone who walks in and asks for one. All prices are subject to change without notice.
