Inexpensive, Simple, Dignified Cremation and Burial Plans

Arranging for mortuary services prior to need:

1. Assures that your wishes are known, provided for and honored.
2. Relieves your family of arguing about difficult issues at an emotional time.
3. Protects your loved one's economic future by avoiding excessive expense.

San Diego Memorial society is a nonprofit organization incorporated in 1958 to help members obtain simple, inexpensive, dignified arrangements for burial or cremation. It does this by working with participating mortuaries to provide services to members at inexpensive pre- established prices.

The Society is not a mortuary or a for-profit business. Its orientation is focused on consumer protection and it is operated by a volunteer and unpaid Board of Directors elected by the membership. The society negotiates low, fully transparent, discounted pricing with participating mortuaries to provide for basic services.

For example: Cremations as low as \$595 and complete funerals, including casket, as low as \$1995

For a modest one-time lifetime membership fee you can join now. Membership is open to all. You can complete the membership application below, or online at www.sdmsonline.com/application.
